The Old Gallery & Chamber Apartments

Both of our stunning, luxury apartments are to be found in a 650yr old building behind Trembling Madness, Stonegate, in the shadow of the York Minster. The Chamber is a timber framed medieval structure, and while its history is unknown, evidence of hauntings have been reported from previous residents. If you'd rather swap bumps in the night for lava lamps & retro chic, you might prefer our Old Gallery! Both apartments are across two floors, and packed with entertainment facilities, all the creature comforts, quality linen & snuggle down duvets, towels & bathrobes.
